PRINCIPAL'S REPORT

Hello again. Week 2 has been a busy week with students enjoying their usual studies plus the library van, Science (prep-2 class), Indonesian and swimming lessons.

Unfortunately I had to make the decision on Monday and Thursday to cancel our swimming program for the afternoon. On Monday it was due to the cold and wet weather and on Thursday it was due to the extreme heat. I did not make these decisions lightly, but I felt it was in the interests of students, staff and volunteers.

Food-bank

We have had our first delivery of food-bank products, including cereal, taco packs, biscuits, rice products, fruit and vegetables. Please drop into the school to pick up some of the food on offer.

Parent/Guardian Occupation Confirmation Form

Attached to the newsletter is an envelope with a Parent/Guardian Occupation Consent form in it. It is really important that families take the time to read the form and update any details on it. The information on this form helps determine the level of funding that Inglewood Primary School receives from the government. The form can be returned to our Business Manager, Sarah, or me.

If you have any questions about this form please don't hesitate to contact me at the school.

Consent Form

Each year it is a requirement to update the school's consent form. I ask that you read the attached Consent Form, check the Yes or No boxes and return the form to our Business Manager, Sarah, or me.

Again, if you have any questions about this form, please don't hesitate to contact me at the school.

Prep Uniform Support Package

This year all of our prep grade students will be eligible to receive uniform support in Term 2. Sarah will notify the families in early April. I would suggest that parents of prep grade students use this funding to receive a school jumper.

Art Program

It is with excitement that we are re-introducing a dedicated art program for the students at Inglewood. Each fortnight the students will participate in Art – so be prepared for some 'masterpieces' to come home in the near future.

Assemblies Friday

I would like to remind families that our whole school assemblies are held on Friday afternoons from 2.45pm and you are most welcome. These are a fantastic celebration of student achievements, with numerous awards being presented. It is great to see the excitement on the faces of the children receiving awards for the week. It is also lovely to see the positive affirmation that the other children give the award recipients. This is a true reflection of our values – RESPECT OF SELF, RESPECT OF OTHERS and RESPECT OF ENVIRONMENT. Please note, next Friday's assembly will be at 3pm due to our swimming program.

School Captains

Next week we will begin the process of selecting our Inglewood Primary School Captains and Vice Captains. These roles carry quite a responsibility whilst providing the successful applicants with leadership development that will assist them into secondary school.

In closing...

Please don't hesitate to drop by and say hello. If I'm not in my office I will be in a classroom so just pop in and we'll make a time to catch up.

Kerryn Quirk, Acting Principal

From the Office

Statements for all families have been sent home.

BREAKFAST CLUB

Breakfast Club is held in our

KITCHEN each morning **from 8:30 to 9am.**

Students arrive at school to enjoy a bowl of cereal or some toast with Jam or Vegemite, provided by the **Breakfast-in-Schools Program**, fresh bread from the **Bridgewater Bakehouse**, and a warm Milo drink.

During the cooler weather, the students occasionally enjoy a 'hot' breakfast, tucking into pancakes, baked beans or scrambled eggs.

The staff & students look forward to seeing all the wonderful parent/grandparent helpers in the kitchen throughout the year.

It is a great 'social time' for the children & families in the mornings before class, to get together in our school kitchen.

Library for Littlies

These library sessions are for toddlers and pre-school children, where a storybook is read by a student, then followed by a fun activity relating to the story.

We welcome all families with younger children to come along and join us on

Wednesday mornings at 9am in the library.

(Some families came in earlier and enjoy breakfast with our students & their families in the Kitchen)

Playgroup

Playgroup in the 'Kurting Room' is held each week. The time & day are now **Wednesdays 9:30-11am** and if you'd like to, you are most welcome to come earlier for the school's **Library for Littlies at 9am**

The children enjoy play time, fruit break and outside play in the playground.

If you'd like to come along, please feel welcome to do so and invite along other parents with young families.

Stephanie Alexander Kitchen/Garden Program

The times for student's SAKG classes are a 1/2 hour of **gardening** with Mrs Luckman on **Monday mornings** and two hours of **cooking** on **Tuesday mornings** with **Ms Zimora**, alternating between the Junior & Senior class groups.

The students enjoy the experience of planting and harvesting the produce grown in our garden, then eating the food that they prepare with their produce. (Please have long hair tied back for our cooking sessions)

Thank you to our kitchen helpers this week, **Brenda, Jenny, Alice & Rebecca**. The shared expertise & skills of our wonderful volunteers always enhance the **Kitchen/Garden classes**.

It isn't necessary to have children attending school.

Please feel free to **call in and see**

Bernadette or Bec at school if you would like to help with our cooking program.

You will be made very welcome!
